

Request of Confirming Your Period of Stay

Thank you for always using Shimane Bank.

In recent years, there has been an international call to strengthen measures against money laundering and the financing of terrorism. As such, our bank confirms the purpose of transactions and the period of stay, etc. of our customers. This is to appropriately keep track of customer information and specific details of transactions based on the provisions in the Terms and Conditions of Deposit.

In line with this, we would like to confirm your period of stay. Please come to one of the service windows at our bank's central branch or one of our branches with the documents, etc. detailed below.

Please note that if you do not visit us by the end of February 2021 despite receiving this notification, we may restrict a part of your transactions, including deposits and withdrawals, etc.

If you are unable to visit us by the deadline, please contact the branch you are banking with.

We apologize for any inconvenience this may cause, and appreciate your understanding and cooperation.
